BARRIER REPAIR & PROTECT BALM WITH CERAMIDES - STICK

Product description

Ceramide complex helps reinforce the skin's protective barrier, which plays an important role in keeping moisture in. This balm combines it with betaine and sorbitol to support hydration, while plant oils and waxes soften rough skin. The solid formula provides a protective layer over exposed areas, helping keep paws and noses supple and comfortable.

Volume

30 mL

Key benefits

- Helps support the skin's natural barrier
- Helps reduce moisture loss
- Softens dry, rough paws and noses
- Provides protection against drying environmental conditions
- Contains Ceramide NP and Ceramide NG
- With betaine and sorbitol for moisture retention
- Convenient stick format for targeted application

Claims
