

DENTAL SPRAY WITH ORGANIC EXTRACTS (NATURAL MINT FLAVOUR)

Product description

A gentle, prebiotic-powered dental spray formulated to freshen breath and support a healthy oral microbiome.

Enriched with Fructooligosaccharides and Inulin — a powerful prebiotic blend that selectively nourishes beneficial oral bacteria, helping to restore and maintain a naturally balanced mouth environment.

Aloe Barbadensis Leaf Juice soothes and hydrates delicate oral tissues, while Salvia Officinalis Leaf Extract (Sage) and Camellia Sinensis Leaf Extract (Green Tea) deliver natural antioxidant and antimicrobial botanical support.

Volume

100 mL
