

ODOUR NEUTRALISER/ DEODORISER

Product description

Natural Odor Remover for Pets - keep your pets smelling fresh with this naturally based odor remover. Specially formulated to break down and neutralize unpleasant smells, it uses ingredients of natural origin to gently and effectively deodorize your pet's coat. Safe for everyday use, this pH-balanced formula is free from dyes, parabens, and alcohol, making it perfect for sensitive pets. Ideal for use between baths, it leaves your furry friend refreshed and clean without harsh chemicals.

Volume

200 mL

Key benefits

Instruction

- Spray over the desired area of coat.

Ingredients

Actual version on the webpage - www.puruspet.com

Key Functional Ingredients

Zinc Ricinoleate

- highly effective natural odour absorber that captures and neutralises unpleasant smells rather than masking them

Polyglyceryl-6 Caprylate

- mild plant-derived ingredient that helps disperse odour molecules while supporting gentle skin compatibility

Proline

- an amino acid that helps support skin and coat condition

Propanediol

- naturally derived humectant that helps maintain skin hydration
