Key Functional Ingredients

Polyglyceryl-3 Betainate Acetate

- 100% Natural Plant-Derived Conditioner, COSMOS approved
- Improves wet and dry combability and significantly reduces tangling
- Leaves fur smoother, softer and easier to manage
- Helps reduce static electricity and fly-away hair, improving coat manageability
- Protects the protein structure of hair fibers, improving strength and elasticity
- Conditions without heavy residue or build-up, leaving hair or fur light and natural

Betaine

- A natural moisturising ingredient that helps maintain skin and coat hydration while reducing irritation and dryness

Arginine

- An amino acid that supports the structure of hair proteins and helps strengthen and protect the coat
