Key Functional Ingredients

- **Lactobacillus / Salix Purpurea Bark Ferment Extract** – postbiotic ferment that helps balance the oral microbiome and support healthy gums
- **Erythritol** – helps maintain oral freshness and supports dental hygiene
- **Polylysine** – naturally derived antimicrobial peptide that helps control bacteria responsible for plaque and bad breath
- **Arginine** – amino acid that helps support oral pH balance and dental health
- **Glycerin** – humectant that helps keep the mouth hydrated and comfortable
